- B. Travis A. Crouch, Chief of Police, writes the City of Morgan City Police Department is trying to purchase a new K-9 to be used as a drug detection dog in Morgan City and St. Mary Parish. The current K-9 had to be retired due to declining health issues. This K-9 was purchased in 2004 and was very successful in the seizure of illegal narcotics off the streets of St. Mary Parish. We have worked very closely with the St. Mary Parish School Board in school searches, school demonstrations and Red Ribbon Week. We also assist other agencies when the need for a K-9 arises in their jurisdictions.

The cost to replace the K-9 is seven thousand three hundred dollars (\$7,300) and this includes a two-week handler's course. The Morgan City Police Department is requesting any financial assistance to help defray the cost of the new K-9.

Any consideration in this matter would be greatly appreciated.

Mr. Voisin moved that funds in the amount of \$2,500 be allocated from the Gaming Receipt Fund to the Morgan City Police Department to assist in the purchase of a new K-9 dog. Mr. Fromenthal seconded the motion, which carried.

- C. Gerald Minor, Chief of Police, writes as you know with the status of our local economy, it is very difficult for small police departments to purchase equipment. Baldwin Police Department is in need of police unit video cams. These cams provide not only court footage but also with the safety of our officers. The cams we currently have are not in proper working condition and would be very costly to repair due to the age of the cams.

On behalf, of the Baldwin Police Department, I ask you to entertain the idea with your board for a contribution to put towards the purchase of two police unit video cams which comes to about \$3,000.00.

I appreciate all of your support and consideration.

Mr. Hanagriff moved that funds in the amount of \$1,000 be allocated to the Baldwin Police Department from the Gaming Receipt Fund and \$2,000 be allocated from Wards 1,2,3,4,7 and 10 3/10% Sales Tax Fund to be utilized towards the purchase of two police unit video cams. Mr. Metz seconded the motion, which carried.
